

Please inform the Manager on Duty of any allergies before ordering your meal.												
This information was provided by the third-party product manufacturer and/or supplier and was not in any way created or verified by Roosters. The information is being passed on as a courtesy and for informational purposes only. Roosters in no way guarantees the accuracy or completeness of this information and no warranties are made or implied; All implied warranties of merchantability and fitness for a particular purpose are expressly excluded.												
This information is to be used as a guide to assist our guests with better informed food choices. Roosters has received this allergen information from our approved manufacturers and may not guarantee it's accuracy. Please check product labels.												
Items may have been manufactured in the same facility or on same equipment that uses: Milk, Eggs, Sesame, Sunflower, Poppy and other seeds and other cereal grains, wheat, & gluten.												
In the preparation process of fried items, individual products are not placed into separate fryers. Any fried menu item has the potential to be cross-contaminated with menu items that contain any of the allergens listed here.												
In the preparation process of grilled items, individual products may come into contact with pan coating spray that contains soy. Any grilled menu item has the potential to be cross-contaminated with menu items that contain any of the allergens listed here.												
	Dairy	Egg	Fish	Shellfish	Corn	Wheat	Soy	Gluten	MSG	Peanut	Tree nut	Sesame
Chicken Wings												
All Roosters traditional wings, boneless wings, fingers and chicken breasts are a fresh, never frozen product consisting of all white meat. When deep fried, Roosters uses 100% Soy oil. The same container is or may be utilized to sauce/season these fried chicken items

Some Foods contain free glutamate, formed from the breakdown of protein, which can combine with free sodium and create MSG. If you are particularly sensitive you might need to avoid foods with naturally occurring MSG. These foods include potatoes, tomatoes, tomato juice, mushrooms, peas, fruit juices and Parmesan cheese.
