Once you have registered to play, you may enter a maximum of 4 brackets. The odds of winning are based on the number of entries along with your ability to pick the most games correctly with the highest point value total. Like most bracket contests, the points for victories vary per round. To give our contest a little spice, we're awarding bonus points for all upsets equal to the difference in the seeds. (Ex: If a 7 seeds beats a 2 seed, you'll be awarded 5 bonus points. If a 2 seed beats a 7 seed, there are no bonus points awarded.)

Points awarded per round are as follows:

All victories chosen in Round 1 earn: 1 point

All victories chosen in Round 2 earn: 2 points

All victories chosen in Round 3 earn: 3 points

All victories chosen in Round 4 earn: 4 points

All victories chosen in Semi-Finals earn: 5 points

Chose NCAA Div I Champion correctly earn: 10 points

*All rounds can earn bonus points based on difference between seeds for upsets.

Tie-breakers will be determined in the following order:

-Closest to total points scored in Championship game. If it's still tied after that:

-The person who earned the most points in the first round. If it's still tied after that:

- The person who earned the most points in the first two rounds. If it's still tied after that:

-All those participants' names will be put in a hat and winners will be determined in the order the names are drawn. (First name pulled wins the tie, on down the line based on the number of prizes.)
